Prepare for Lift Off

YOUNG ENTREPRENEURS Academy

Start as a student. Graduate as a CEO.

Students launch their own, real businesses in the Young Entrepreneurs Academy. The fun, hands-on program meets weekly and helps go-getters in grades 6–12 identify their passions, transform their ideas into fully formed businesses or social movements, and develop lifelong leadership skills. Connect with local, legendary entrepreneurs, pitch to investors for startup funding, and compete for college scholarships.
